

September 8, 2015

Dear Neighborhood and Community Partners,

Are you or a loved one experiencing a difficult time? Are you, or is someone in your life seeking counseling or additional support during a challenging situation? If so, Family Behavioral Resources is here to help.

FBR is pleased to announce the expansion of Outpatient Mental Health Services to children, adolescents, adults, and families in Brentwood and surrounding communities. In addition to our child and adolescent services, FBR is now providing office-based counseling and psychiatric services in our Brentwood Towne Square location. Our Outpatient Mental Health Clinics are staffed with Board Certified Child & Adolescent and Board Certified Adult Psychiatrists. All individual and family therapy sessions are provided by and supported by highly trained, licensed counselors.
